Sedation

If my pet is unable to be groomed, I have the choice to end the grooming session or for an additional charge, have my pet sedated (if a veterinarian is available at this time) and have the grooming completed.

<input type="checkbox"/> I DO NOT want my pet sedated, therefore I choose to end the grooming session.
<input type="checkbox"/> I would like to have the pet listed above sedated for grooming. I understand that there is always a risk when using sedation and agree not to hold <i>Cornell Veterinary Clinic</i> or <i>Northern Paws Pet Lodge</i> responsible should anything happen to my pet because of sedation. I give permission to <i>Cornell Veterinary Clinic</i> to sedate my pet for grooming while at <i>Northern Paws Pet Lodge</i> .
